Academic Council

ADD: KEDAL RANCHI – 835217

INFRASTRUCTURAL FACILITIES

Manrakhan Mahto B.Ed. College has adequate, accessible and well-maintained infrastructural facilities to support effective teaching-learning, practical training, academic activities, administrative functioning, student support services and the holistic development of student-teachers. The college provides a safe, inclusive, hygienic and learner-friendly environment through the following facilities:

1. Academic and Teaching-Learning Facilities

- **03 Tutorial Rooms** – For tutorials, mentoring, small-group discussions, remedial support and individualized academic guidance.
- **02 Classrooms** – Adequately furnished and suitable for regular teaching-learning activities.
- **04 Method Classrooms** – For micro-teaching, demonstration lessons, simulated teaching and development of pedagogical skills.
- **01 Seminar Room** – For seminars, workshops, presentations, conferences and academic interactions.
- **02 Multipurpose Halls** – For academic programmes, cultural activities, workshops, examinations and institutional events.
- **01 Library** – Equipped with textbooks, reference books, journals and other learning resources. The e-Library facilitates access to e-books, e-journals, digital databases, online reference materials, e-content, and other academic resources, thereby promoting self-learning, research, digital literacy, and technology-enabled education.
- **01 ICT Room** – Supporting digital teaching-learning, presentations, online learning and technology-enabled academic activities. It supports:
 - Digital presentations
 - E-content
 - Online learning resources
 - Internet-based academic activities
 - ICT-enabled teaching
 - Online meetings and webinars
 - Digital documentation and communication

2. Specialized Laboratories and Activity Rooms

The college provides dedicated facilities for developing practical and professional competencies among student-teachers:

- **01 Curriculum Laboratory-:** The college has one Curriculum Laboratory to facilitate practical understanding of curriculum development, instructional materials, teaching-learning resources, curriculum analysis and innovative pedagogical practices.
- **01 Music Room-:** Music Room for developing students interest and skills in music and performing arts. It supports practical activities related to music, cultural programmes and co-curricular development.
- **01 Psychology Laboratory-:** Psychology Laboratory provides facilities for practical activities related to educational psychology, intelligence, personality, learning, motivation, individual differences and psychological testing.
- **01 Mathematics Laboratory-:** Mathematics Laboratory provides opportunities for student-teachers to develop competency in activity-based and experiential teaching of mathematics through teaching-learning materials, models, mathematical activities and practical demonstrations.
- **01 Science Laboratory-:** Science Laboratory supports practical work, experimentation, demonstration, observation and development of scientific attitudes and competencies among student-teachers.
- **01 Language Laboratory-:** Language learning and teaching through listening, speaking, pronunciation, communication, vocabulary development and other language-learning activities.
- **01 Physical Education, Health & Yoga Room**

These facilities provide opportunities for hands-on learning, experimentation, demonstration, practice, and development of subject-specific pedagogical competencies.

3. Administrative and Staff Facilities

- **01 Principal's Chamber** – For academic leadership and institutional administration, decision-making, meetings, student interaction and coordination of academic and administrative activities.
- **01 Administrative Office** – For administrative and student-related services.
- **01 Office Staff Room/Office** – For routine clerical and institutional work. Office Staff Facility for clerical and supporting administrative work, maintenance of institutional records, correspondence and day-to-day office operations.
- **01 Accounts Office** – For financial management, fee-related activities and maintenance of financial records.
- **01 Visitors' Room** – For receiving parents, visitors and official guests.
- **01 Staff Room** – Providing faculty members with space for academic preparation, discussion and coordination.

4. Accessibility and Inclusive Facilities

- **01 Lift Facility** – The college provides a lift to facilitate safe and convenient movement between different floors, particularly for **pregnant women, students with disabilities, elderly persons and individuals with mobility difficulties**. The facility promotes accessibility, inclusiveness and equal participation in institutional activities.

- **Hygienic Washrooms** – Clean, hygienic, and adequately maintained washroom facilities are available on different floors for students, faculty, staff and visitors.

5. Basic Amenities and Essential Services

- **Safe Drinking Water** – Safe and hygienic drinking water facilities are provided for students, faculty, staff and visitors.
- **Electricity Supply** – Adequate electricity facilities are available to support uninterrupted teaching-learning, laboratory work, ICT-enabled activities and administrative functioning.
- **Internet/Wi-Fi Connectivity** – Internet and Wi-Fi facilities are available to support digital learning, online academic resources, e-content, communication, research and ICT-based teaching. The institution provides 24×7 Wi-Fi/Internet connectivity and CCTV surveillance to support digital learning, institutional communication, safety and security
- **Adequate Furniture** – Classrooms, laboratories, offices, library, seminar spaces and other functional areas are provided with adequate and suitable furniture to ensure comfortable and effective use of the facilities.
- **Clean and Hygienic Environment** – Regular cleanliness and maintenance are undertaken to provide a healthy and conducive institutional environment.

6. Student Support and Common Facilities

- **02 Common Room** – Providing students with a comfortable space for interaction, relaxation and student-related activities.
- **01 Visitors Room** – For parents, visitors, and official guests.
- **Physical Education, Health & Yoga Room** – Supporting physical fitness, health awareness, yoga practice and holistic development.

Overall Infrastructure

The college provides a safe, accessible, inclusive, hygienic, technology-enabled and learner-friendly infrastructure. The availability of adequate classrooms, tutorial and method rooms, specialized laboratories, library, ICT facilities, seminar and multipurpose halls, administrative facilities, lift, hygienic washrooms, safe drinking water, electricity and adequate furniture creates a conducive environment for quality teacher education.

The institution is committed to the **regular maintenance, optimum utilization and continuous enhancement of its infrastructural facilities** to meet the academic, professional, physical and accessibility needs of all stakeholders.
